New Service Transfer existing (Churn) Existing provider if Churning

Telephone number including area code to which the ADSL will be provided

Please do not apply for a broadband service using a telephone number that already has an existing broadband service attached to it unless you want to transfer ('fast churn') the existing service. Fast churn activation is not available from all providers.

Street address of this telephone number exactly as it appears on your telephone bill

Unit Level Street number & Name City State Postcode

Please choose your plan and modem (broadband requires a modem which can be purchased with your connection and is yours to keep).

*Data is measured in both directions but only the greater of upload or download is chargeable. **Fair use policy applies. Speed throttled to 64/64 after 15GB on 256/64, 25GB on 512/128, and 35GB on 512/512 and 1500/256. ***Set-up and fast churn fees do not include cost of the modem. Changes in speed, to your telephone line or to your address will incur additional charges. All broadband plans must remain connected for 12 months from the date of connection or an early termination will apply.

Supply of Broadband Service and Charges

Once 'The Company' has received acknowledgement of your line being DSL compatible, you will be charged the full set-up fee if applicable. If we cannot supply the service, you will not be charged. Upon confirmation of your line being DSL enabled, your service will be activated and monthly billing will commence. After your DSL service has been supplied, a member of our customer service team will contact you to confirm your username and password.
